PART I: TERMS OF SERVICE (TOS)

1. Acceptance of Terms

By accessing the CrowdContributionToken (CCT) website, connecting your digital wallet, or using our services, you agree to be bound by these Terms. If you do not agree, do not use the platform.

2. The Nature of Service (Beta Warning)

The CCT Platform is currently in **Phase 1 (Beta)**.

- **"As Is" Basis:** The platform is provided "as is" and "as available" without warranties of any kind.
- **Risk Assumption:** You acknowledge that blockchain technology, including the CCT Token, carries inherent risks, including bugs, volatility, and potential loss of funds. You assume full responsibility for these risks.

3. User Content & Copyright (The DMCA Clause)

As a decentralized industrial network, we allow users to upload 3D model files ("User Content").

- **Ownership:** You retain full ownership of the IP you upload.
- **License Grant:** By uploading, you grant CCT a non-exclusive, worldwide, royalty-free license to display, distribute, and verify your content on the network.
- **Prohibited Content:** You agree NOT to upload:
 - Content that infringes on third-party IP (e.g., Disney characters, patented parts) without permission.
 - Weapons, illicit items, or designs intended to cause physical harm.

- **DMCA Safe Harbor:** CCT respects intellectual property. If we receive a valid DMCA takedown notice regarding your content, we will remove it immediately. Repeat infringers will be banned.

4. Physical Safety Disclaimer (Crucial for 3D Printing)

CCT provides digital files only. We do not control the physical manufacturing process.

- **No Liability for Prints:** CCT is **NOT responsible** for any physical damage, injury, or property loss caused by the 3D printing or usage of designs downloaded from the platform. Users must perform their own safety validation.

5. Limitation of Liability

To the fullest extent permitted by law, CCT (and its founders/operators) shall not be liable for any indirect, incidental, or consequential damages. Our total liability to you for any claim shall not exceed **\$100 USD**.

PART II: PRIVACY POLICY

1. Data We Collect

- **Public Data:** Your Wallet Address (Public Key) and on-chain transaction history.
- **Voluntary Data:** Email address or Discord ID (if provided for newsletters/notifications).

2. The Blockchain Disclaimers (Immutable Data)

IMPORTANT: Please be aware that your Wallet Address and transaction data are written to a public blockchain (e.g., Polygon/Ethereum).

- **No Deletion:** Due to the immutable nature of blockchain, **we cannot delete or modify** your on-chain data, even if you request it under GDPR/CCPA.
